RESIDENTIAL CARE FACILITY FOR THE ELDERLY

## ABOUT US

**Terene Manor** is a Residential Care Facility for the elderly set in Northern California's wine country. We are located in a quiet, peaceful and friendly neighborhood.

Shopping centers, hospitals, recreational areas and parks are a few minutes away and are accessible and convenient.

## OUR MISSION

In providing professional elderly health care, **Terene Manor** fully embraces the treatment of each individual resident with respect, dignity and affection in a cheerful living environment. It is in providing quality care that we find life's purpose and fulfillment.

## OUR STAFF

After careful screening of numerous applicants, **Terene Manor** employs the most qualified caregivers to join our team. While carrying out daily duties, our caregivers support the uniqueness and level of independence of each person in our care.

Whatever area of need may arise, our welcoming staff will be there to assist. Continuous training and regular exposure to new approaches to care giving help us improve our skills and commitment.

## SERVICES AND AMENITIES

Experience comfort and worry free elderly care service from us. While in the care of professionals at **Terene Manor**, your loved one will enjoy:

### Three Healthy Delicious Meals A Day

Home-cooked meals to fit the dietary recommendations of your doctor. We have options for low-sodium, vegetarian and other special diets. There is a wide selection of cuisines, making the dining experience both exciting and healthy.

### Relaxing Bedrooms with Toilet and Bath

A comfortable bed awaits. What better place to be most at ease than in your own bedroom in the Manor, with a private Toilet and Bath with easy access.

### Prescription Medication Reminders

With our able and alert caregivers standing by to monitor medication intake, your loved one never misses a dose.

### Round The Clock Security

Our staff regularly checks the facility inside and out for security risks.

### Warm Companionship From Our Caregivers

We only employ individuals who are devoted to caring for our residents and are able to maintain harmonious relationships. We are professionals who take elderly health care seriously and possess empathy for our resident's conditions.

### Assistance With Bathing, Dressing And Personal Hygiene

Sometimes doing the simplest of tasks like showering and putting clothes on can be challenging which is why our services cover assistance with daily grooming routines.

### Housekeeping Services

Clean surroundings are a requirement for healthy living. We have scheduled cleaning and maintenance practices to keep the home neat and presentable.

### Laundry Service

Having fresh clothes to wear is a daily necessity. We take care of the laundry for all our residents making sure that their wardrobe is in good condition.

### Accompanied Transportation

The transportation service is available to all residents of the Manor. Since safety outside the home is also our concern, a caregiver can escort you around town or to appointments. You will never have to worry about who will be driving you home.

### Managing Schedules To Doctor's Appointments Or Personal Functions

Keeping your health in check or meeting old friends can fill your calendar. You can depend on our staff to remind you of scheduled engagements and never miss an appointment.

### Relaxed Recreational Activities For Seniors

There are enjoyable things to do around the home like:

- \* Playing Cards
- \* Light Exercises
- \* Special Events
- \* Movies
- \* Karaoke Singing
- \* Musical Entertainment
- \* Puzzles
- \* Bingo
- \* Reading
